

HELP US CELEBRATE 25 YEARS of BUSINESS!

CNTA is pleased to announce that AECOM is sponsoring an evening drop-in to celebrate the successes achieved by CNTA since the first set of bylaws were signed on October 9, 1991. The evening program will include introduction of the new Executive Director, recognition of CNTA leadership and Board of Directors, highlights of key accomplishments, and a look to the future.

As a member or friend of CNTA, you and a guest are invited to attend. Many of you have been long time supporters and have been actively engaged in our successful efforts to advance nuclear technology. We look forward to you celebrating with us!
