PROGRAM

Keynote address will be presented by South Carolina Governor Nikki Haley or her designee. The theme “Economic Impact of the Nuclear Sector” will detail the economic value to South Carolina of the production and research community represented by SRS/SRNL, the contributions of OUR nuclear industries in South Carolina and how nuclear medicine benefits the CSRA.

In addition to the keynote address, there will be three panel sessions:

- Impacts within the CSRA
Panel Chair, Dr. Clint Wolfe, Exec. Director of CNTA
- Scientific Contributions to the Economic Engine
Panel Chair, Dr. Terry Michalske, SRNL Director
- Education and the Nuclear Industry
Panel Chair, Dr. Thomas Hallman, Distinguished
Chancellor Emeritus, University of South Carolina
Aiken
- Summary
Total Value to CSRA—VADM Charles Munns, USN
(Ret.), past SRNS CEO

Don't miss this condensed educational forum on the achievements, benefits, impact and cultural improvements that the nuclear industries of South Carolina have contributed to the CSRA
