Stephen Kuczynski is Chairman, President and Chief Executive Officer of Southern Nuclear Operating Company. In this role, he is responsible for all operations of Southern Company's six nuclear reactors. He is also responsible for new nuclear development initiatives, including the construction of Plant Vogtle Units 3 and 4 near Augusta, GA. He was elected Chairman, President and CEO effective July 11, 2011.

Mr. Kuczynski has more than 27 years of experience in the nuclear industry. Most recently he was the Senior Vice President of Exelon Nuclear Midwest Operations. In that role, Mr. Kuczynski had oversight of all operational functions for Exelon's six nuclear operating facilities in Illinois and 11 reactors.
